His Majin state is far too advanced. I'm not sure if that's even Aran anymore
...

LOVE MANGA!

SWOOP

I think he's been completely consumed by the Sagi. However, something about him...

This is definitely the Wuxia Style
Makin' the enemies fall like leaves don't you think so?
CHUK
You didn't even kill any of them. You just injured them all...
Was that on purpose?

No, not really?
I definitely tried to kill them.
Sfx: Twitch

But my hands couldn't go further.
I wonder why?
HEHEHEHE

...

Well it doesn't matter, right?
If they get up I'll just beat them down all over again

You want to live in Murim... but you don't want to kill, huh?
Is he thinking like that in the Majin state...?

If that's your true nature, then you're too kind for your own good.

Haha, instead of trying to kill everyone...
SWOOP
I want to try a lot of things in Murim.

Tell the three Great Masters
that I don't need the rest of their Ki.

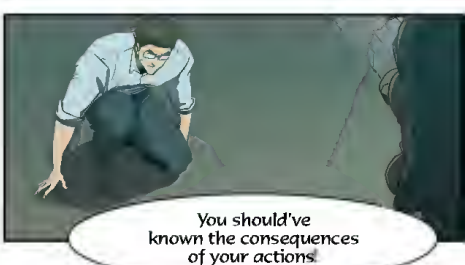
Hey!! Where are you going!?! What about cleaning up this mess!.!!

LONE MANGA!

Sfx: Angry



I understand your anger, however,
the time it would've taken to save him would've injured or killed many more of us.

Enough of you!!
If we cared about something like that, we would not be called the Main Family!!

White Elder, we still need this thing to work for us.
His ability to make cruel decisions must've come from the Branch...

That aside, we were successful in cutting off their funds, so we won't discuss this further.
However, your freedom will not last forever...

Sfx: Chuk

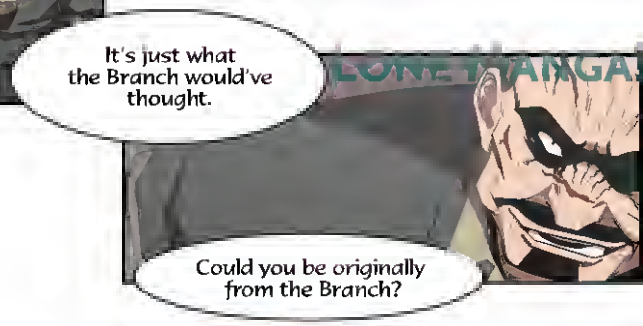
Kekeke

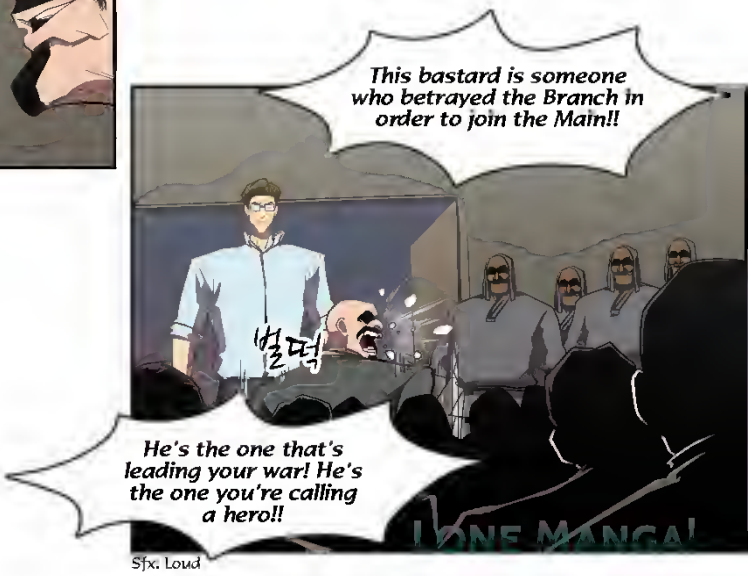
I didn't think you guys would kill your prisoners.



It's just what the Branch would've thought.
Could you be originally from the Branch?

...

Yes, you were...



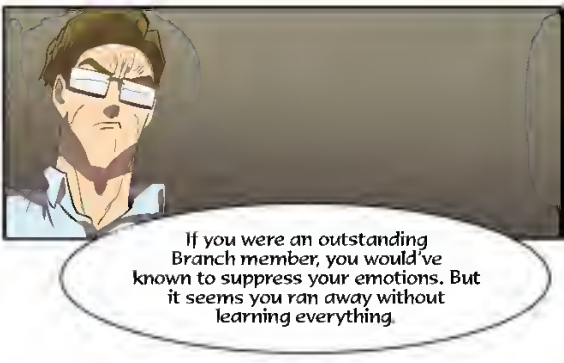
This bastard is someone who betrayed the Branch in order to join the Main!!
He's the one that's leading your war! He's the one you're calling a hero!!
Sfx. Loud

You don't know when he'll betray you next!!

Sfx: Thwack

Sfx: Collapse

Sfx: Out cold



If you were an outstanding Branch member, you would've known to suppress your emotions. But it seems you ran away without learning everything.

You idiots!! Traitors cannot be trusted!!
Understand this!!

Hahahaha!!!
CLENCH

LONE MANGA!

Kill them all.

What? But...

They could be valuable to exchange for those who were caught...

I don't need them. Someone who's weak enough to get caught...
will only drag us down, even if we get them back

Kill them all. If we tell them what we did, they should understand...

that we're not the same Main Family anymore...
